Welcome! *Ahlan wa sahlán!*

On behalf of the JIACC, I am honored to welcome you. Established in 2015, the JIACC was created by a group of prominent Italian and Arab professionals, supported by both governments and leading industrial and financial groups to meet the growing needs of Italian and Arab companies seeking support to their internationalisation processes, as well as to capitalise on investment opportunities. Our goal is to make the JIACC the primary hub to provide all-round assistance, guidance and practical advice, through our offices in Italy and strategic desks in the MENA region. As its Chairman, I invite you to connect with us, confident that we can provide the professional guidance you need for your short- and long-term projects.
